

*Looking for your
diamond in the "rough"?*

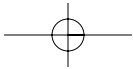

Are you ready to indulge yourself by living in the home of your dreams? I specialize in luxury living. My expertise, knowledge and skill allow me to create a smooth transaction and pleasurable experience for you. If you are a buyer, we will sit down and review what your exact needs are and I will negotiate the best deal

for you. If you are a seller, I know what the luxurious home buyer is looking for. My goal is to attend to your every need throughout the entire real estate process. I am a "people person" and that is why I love this business. I have lived in Houston for over 20 years and currently reside in the Royal Oaks Country Club community. I also lived in Mexico City for 5 years working in sales throughout Mexico, Central and South America. I loved the culture and immersed myself in the language making me bilingual. I welcome the opportunity to get to know you and help you find your next home or ease your tension while relocating to another place.

Bienvenidos a Houston si quieres hacerlo tu casa o buena suerte si decides comprar en otro lugar.

Sincerely, Kistal Key
