M E A R S O L U T I O N , I N C .

We enhance the lifestyle experience through the design and installation of integrated technology solutions, and strive to create private homes where comfort, convenience and enjoyment prevail. By working closely with our customers, long term relationships are developed based on planning, personalization and open communication.

Our objective is realized through business practices that enable our customers to feel comfortable with all the technology surrounding them. Mear Solution, Inc. believes in providing an atmosphere of trust and confidence. We maintain high standards of quality and approach each task to achieve customer satisfaction.

Mear Solution, Inc. is Positioned to Accent Designers

Clients: We make available a Technology Service like no other. We work hand in hand with our clients to tailor a solution that meets all their needs and desires.

Competitive Advantage: Being a leader in your design field, you must stay one step ahead of your competition. Embracing the ever-present technology in your clients' homes is that competitive edge.

Cost: As a complimentary service we will meet with your clients and discuss their lifestyle technology options. Once the client decides to move forward with their lifestyle technology ambitions, we then have the ability to "compensate the trade" graciously.
